In re: KPHN(AM), Kansas City, MO
Facility ID No. 4373
Silent since July 31, 2013

Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Zucker:

This letter concerns the request you filed on March 7, 2014, on behalf of Radio Disney Group ("RDG"), for extension of Special Temporary Authority to permit AM Radio Station KPHN to remain silent.

Commission records reflect that RDG stated that Station KPHN(AM) went silent on July 31, 2013, pending the proposed assignment of its license. The previous STA was granted on September 18, 2013, and expired on March 17, 2014. RDG requests extension of its STA pending the assignment of its license. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

RDG's request is granted. Accordingly, Special Temporary Authority is granted to permit Station KPHN(AM) to remain silent until July 31, 2014. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station KPHN(AM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., August 1, 2014.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. See 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
Media Bureau

¹ In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise.Williams@FCC.gov.
